WASHINGTON'S PARAEDUCATOR COMMUNITY

A Comprehensive Resource for Administrators, Paraeducators and Teachers

Subscribe Today!

"Thank you so much for this valuable resource for paras! It has made fulfilling requirements so easy and very user friendly!"

Paraeducator.com helps districts meet state and federal mandates for paraeducators with just-in-time access to important information, training and tools!

With a district subscription to paraeducator.com your staff will have access to the following:

News:

- Regular updates on state and federal requirements.
- Information on conferences and workshops.
- Articles supporting paraeducators and the teachers with whom they work.
- Successful program information used across the state.
- OSPI paraeducator updates.

Strategies for Success:

- Clearly defined strategies to increase student learning.
- Specific methods for teaming with teachers and other staff to meet student needs.

Training:

- Literacy Strategies with Anita Archer.
- Supervising Paraeducators in Your Classroom.
- Paraeducator Competencies.
- Behavior Management.
- Clock hours and credit available for a fee.
- Online tracking for district administrators.

Mentoring:

- Comprehensive support materials for mentors and mentees.

Paraeducator.com is...

- **Cost effective**
- **High quality training**
- **Regularly updated**
- **Practical tools and strategies**

Here's what paraeducators from around the state have to say about paraeducator.com:

"I just completed the entire competency series online. Navigation was very easy. Keep up the good work!"

"The video clips really helped me understand the content being taught."

"Thank you so much for the classes you offer. I have taken all of the classes and enjoyed them and know they will help me in working with students."
